PROJECTS:

Password Manager Web App | *React.js , Tailwind CSS*   06/2024 – 07/2024
- PassMG is a React-based password manager app leveraging UUID for unique IDs, React Toastify for notifications, and local storage for persistent data. Features include password CRUD operations, responsive design with Flexbox/CSS Grid, and form validation for data integrity. (View Project)

Calculator Web App | *HTML5, CSS3, JavaScript*   06/2024 – 07/2024
- Calculator Web app using HTML5, CSS3, and JavaScript. This app performs basic arithmetic operations including addition, subtraction, multiplication, division, and modulo. (View Project)

Quiz Web App | *HTML5, CSS3, JavaScript*   06/2024 – 07/2024
- quiz web app featuring 20 questions. Users can answer each question and at the end of the quiz, there is an option to review incorrect answers and see the correct responses. (View Project)

ACHIEVEMENTS:

- Obtained **Participation certificate** in **Whack Hack 2.0 Hackathon** organised by **GDSC BBDITM. (Click)**
